# HEALTHSERVE CHRONIC DISEASE CLINIC

(for High Blood Pressure, Diabetes, High Cholesterol, etc)

Your hospital or medical team has given you 4-6 weeks of medications for your chronic medical conditions.

A week or so before your medications are finishing, call the HealthServe clinic and they will help you with future medications.

## CLINIC PHONE:

  **+65 3138 5388**

Call or Whatsapp for appointment and enquiries.

## ADDRESS:

**1 Lorong 23 Geylang #01-07 Building 4,  
388352, Aljunied MRT (EW9)**

HealthServe is a charity that helps migrant workers so there will only be a small fee.

Please continue to take care of your health well for your sake as well as for your family back home.
